PERSONAL DEVELOPMENT WORKSHOP AT EQUILIBRIUM

What is it?

This workshop is a taster in personal/professional development and you can expect to be actively involved. The focus for the day will be on your career and or self employment options.

This one day workshop is aimed at anyone who is currently unemployed and or looking at self employment. Who lives within Bedfordshire

Outcome for the day

- ✚ Wheel of life and skills assessment
- ✚ Career profiling
- ✚ Choice of personal development workshops
- ✚ Self employment as an alternative to employment
- ✚ One to one IAG/coaching session with Eileen to be booked on the day.

For more information and to book a place call Eileen on 07771 825030.

Eileen is a NLP trainer, Life coach, Hypnotherapist, IAG Practitioner Timeline Therapist, and Teacher, working intuitively through the medium of NLP, Life Coaching and Personal Development. Eileen uses NLP as a method of self-identification and re-alignment, which has transformed the aspirations of those seeking an effective channel of self-awareness.
